50th Anniversary Year

Government House

On the 17th of October we were honoured by a reception at Government House in recognition of this important milestone and the importance of our Society to the community. Four of our members played music by Lambranzi at the reception which was hugely appreciated by the Governor and attendees.

The Concert

Well, what a year concluding with a fantastic 50th Anniversary Concert in the beautiful Hobart Town Hall on the 29th of October. Some exciting music had been chosen by our five conductors and it was wonderful to have Christine Lucerne able to join us to play and conduct. Huge congratulations to all involved in making this such a special event and so nice to also have GuitarScape join us in Concert.

Comments from some of the audience:

“Loved the concert, and so did the rest of the audience. Every note and flicker of humour. Congratulations to you all”.

“Congratulations on the success of the concert, you must be pleased with the outcome”.

“Fantastic concert and in a perfect venue, loved every minute of the music, congratulations to all”.

“Wow, I didn’t know recorders could sound that good, most enjoyable”.
