Bicheno Weekend Report

During the Regatta long weekend, a large number of HSRPI members and friends made their annual journey to the Langman's cosy Bicheno cabin, filling the garden with tents and campervans. We were fortunate with the weather, with most days reaching the mid 20s with only light wind. As per tradition, the weekend was filled with playing music both inside and outside, swimming in the Denison River (sometimes twice a day) and eating lots of delicious food.

This year, we were also thrilled to welcome a new friend, Michael, who joined us from St Helens. On the final evening, we were treated to a short horn recital from Xavier, and Claire and Rhys provided some trad tunes on the tin whistle and bodhran drum.

A huge thank you is due to Ruth and Richard Langman for continuing to host this special weekend. We all left for the drive home with our hearts (and bellies), full to the brim.
